1 Say not the strug - gle naught a - vail - eth, the wounds and la - bour are in vain,
2 If hopes were dupes, fears may be li - ars. It may be, in yon smoke con - cealed,
3 For while the tired waves, vain - ly break - ing seem here no pain - ful inch to gain,
the fear - some foe faints not, nor fail - eth, and all un - chang - ing doth re - main.
our com - rades chase e'en now the fli - ers, and, but for us, pos - sess the field.
far back through creeks and in - lets mak - ing, comes sil - ent, flood - ing in, the main.
For not by east - ern win - dows on - ly, when day - light comes, comes in the light;
in front the sun climbs slow, how slow - ly, but west - ward, look, the land is bright.
